<p>We've been transporting pets world-wide for years – here's what some of our many happy clients have to say about us: https://keringa.co.za/references/</p> <p>NB: Due to the fact that airline and country protocols change often, we cannot be held responsible for errors, omissions, or alterations/changes. That said, Petwings pet travel agents keep up-to-date and are the best source of current rules and regulations – and they are friendly and helpful too!</p>
